ESi EXPRESSLY DISCLAIMS ANY WARRANTY OF FITNESS FOR HIGH RISK ACTIVITIES.

(f) To the extent permitted by law, Licensee agrees to indemnify, defend and hold ESi, its officers, directors, employees, agents, subcontractors, licensors, successors, and assigns harmless from and against any and all liability, losses, claims, expenses (including attorneys fees), demands or damages of any kind, including direct, indirect, special, punitive, incidental, or consequential damages, arising out of or in connection with the Licensee's use of the Software for High Risk Activities.

(g) Unless a Software Support Plan (Section 13) is in effect, any updates to the Software, including without limitation, any hot fixes provided to Licensee after the expiration of the one (1) year warranty period are not covered by any warranty or condition, express, implied or statutory.

(b) ESI shall have the right to terminate the license granted hereunder by giving written notice of termination to Licensee if Licensee shall fail to pay the specified license fee when due or shall fail in any other material respect to comply with Licensee's obligations under this Agreement and such failure to pay or comply is not remedied to ESI's satisfaction within sixty (60) days after Licensee receives written notice thereof from ESI. Licensee acknowledges and agrees that ESI may seek equitable relief at any time to remedy a violation or threatened violation of the restrictions set forth herein regarding the use and protection of the Software and Documentation.

(c) Upon termination, Licensee shall immediately destroy the original and all copies of the Software and Documentation, or return them to ESI.

17. Infringement of Patent and Other Proprietary Rights.

If any such infringement, claim or action is brought or threatened, ESI will, at its sole option and expense: (a) procure for Licensee the right to continue using the Software; or (b) modify or amend the Software, provided that such modified Software will have substantially the same or comparable capabilities, or replace the Software with other software having substantially the same or comparable capabilities; or (c) if neither of the foregoing is commercially practicable, terminate this Agreement and repay Licensee a portion, if any, of any license fees for the Software, on a pro rata basis. If terminated, the parties will be released from any further obligation under this Agreement, except for obligations that survive termination.

18. No Disabling Codes, Timers, Counters, or Other Limitations.

The Software shall not include or contain any disabling code, timer, clock, counter or other limiting design or routine which causes the Software to be erased, inoperable or otherwise incapable of being used in the full manner for which it was designed and licensed pursuant to this Agreement after being used or copied a certain number of times, or after the lapse of a certain period of time, or after the occurrence or lapse of any similar triggering factor.
